CARPET AND UPHOLSTERY CLEANERS

NOVATEP

Art. No. 121.752 10 L canister

Art. No. 121.753 6 x 1 L bottle with spray-head

- universal use for all coloured and waterproof textile surfaces
- applicable for spray method, detachur, yarn pad, microfiber pad processing
- removes all tough soilings
- free of enzymes, brighteners, bleaching agents and solvents
- after application re-soiling is reduced
- also formulated for cleaning of ceilings and walls

APPLICATION RANGE:

For deep fibre cleaning of tough soiling on all colour and water resistant surfaces, textile surfaces, carpets and upholstery - also for natural and synthetic fibres - as well as for wall and ceiling cleaning. Removing food and drink stains of all kinds - and also nicotine patina. Refer to chart for recommendations of application.

INSTRUCTIONS FOR USE AND DOSAGE:

Prior to cleaning Hoover all textile surfaces - removing all debris. After spraying solution onto surface use a shampooing brush - or suitable pad. Rinse off with clear water.

1. **Extraction spray method:** dilute 1:4 (2 L on 8 L water) - 1:8 (1 L on 8 L water)

2. **Detachur method:** pure or dilute 1:1 (500 ml on 1 L water) - work with detachur brush or absorbing cloth. Use water after cleaning.

3. **Pad processing:** dilute 1:4-1:8

4. **Wall and ceiling cleaning:** Novatep can be used on closed or porous water resistant walls and ceilings. Depending on degree of soiling use a dilution of 1:1-1:4 and use spray unit for covering the area subj. to cleaning. After a short penetration time - take off dirt films.

Always make a test on a small area on surfaces to be cleaned before starting your cleaning action. Always follow the cleaning and maintenance instructions of suppliers of sanitary installations. If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: clear, colourless liquid

Odour: neutral

Viscosity: low viscosity

Density: 1070 g/L

pH-value in delivery state: 9

INGREDIENTS:

5-15 %: phosphates

Contains: preservative, BENZISOTHIAZOLINONE

Giscode: GT 0

Stability: at least one year in original containers

LABELLING: not applicable

According to EC-regulations or the corresponding national regulations the product does not have to be labelled.

TRANSPORT:

No dangerous good in sense of these transport regulations (ADR).
