BASIC CLEANERS ALKALINE

SOLEX

System dry spray basic cleaner

Art.-Nr. 121.831 5 L canister

- for all water resistant covering materials incl. oiled and waxed and glazed parquets and wooden floors
- spot cleaning by easy spray method
- fast and simple application
- not requiring neutralization - or rinsing
- easy to apply - not interfering with daily routine issues of clients
- time saving up to 50 %
- removal of victims layer of polymer and wax sealings
- immediately after cleaning with Sorex new coating or maintenance is possible

APPLICATION RANGE:

Dry spray dry cleaning of un- and sealed, oiled, waxed and coated parquet and wooden floors, linoleum, epoxy, PVC and and rubber floor coverings - natural and artificial stone. **Not** for use on sensitive materials like asphalt or painted surfaces.

INSTRUCTIONS FOR USE AND DOSAGE:

Apply Sorex pure and direct. Remove all debris from floor coverings prior to starting. Spray on a confined controllable area - ca. 5 m² at a time. Use the single disk machine and suitable pad and clean sprayed surface. Change pad when necessary. After pad cleaning use immediately a dry clean mop and wipe of remaining agents. Have several mops on hand. After mopping surface/area is dry and ready for coating. Do **not** use on sensitive material such as asphalt and other varnishes that react to solvent agents! If used by mistake - or in case of splashes - take off immediately by a dry mop/cloth.

For material compatibility - always test on a small area!

If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: colourless liquid
Odour: product specific
Viscosity: low
Density: 998 g/L
pH-value in delivery state: approx. 10.5

INGREDIENTS:

Below 5 %: anionic surfactants
Contains: perfumes
Giscode: GG 60
Stability: at least one year in original containers.

LABELLING:

Warning
