INDUSTRIAL AND MACHINE CLEANERS

PICCOMAT machine cleaner

Art. No. 90.121.532 10 L canister

- for **machine** cleaning and maintenance care of all alkali and water resistant hard floor coverings
- **ideal** for regular cleaning of **supermarkets** and **shopping malls**
- ideal for escalator cleaning
- **efficient** detergent due to **special tensides** and **alkaline basis**
- **cleans** and **cares** in one **performance cycle**
- **antistatic** and dirt **rejecting** film
- high yielding and therefore **extremely** economical
- hard water compatibility

APPLICATION RANGE:

For machine cleaning and care of all alkali and water resistant hard coverings of PVC, artificial material, artificial stone and natural stone and industrial coverings in production and storage halls, workshops, supermarkets, shopping malls, canteens and other large surface areas. Refer to chart of recommended application!

INSTRUCTIONS FOR USE AND DOSAGE:

Machine cleaning: Subj. to instructions of machine producers dilute up to 1 % to water tank. For neglected floors it is recommended to spray solution from machine onto floor - row by row - and use a proper pad for thorough cleaning. Proper selection of correct and quality pads will improve the cleaning effect and optic of cleaned floors.

Manual cleaning: Dilute between 10-20 ml of product with 8 L cold water. Use double step wiping technology.

Conduct a material compatibility test on a small area before starting.

If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: clear, blue liquid
Odour: fresh
Viscosity: low
Density: 1030 g/L
pH-value in delivery state: 11

INGREDIENTS:

Below 5 %: non-ionic surfactants, anionic surfactants, soap, phosphates, phosphonates

Contains: perfumes, LIMONENE

Giscode: GG 60

Stability: at least one year in original containers

The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

LABELLING:

Warning

Hazard statements: H315: Causes skin irritation.
H319: Causes serious eye irritation.
