FAT SOLVENTS

TOP OFF

Art. No. 600.692 10 L canister

- fatsolvent neutral
- ideal cleaner for large kitchens, bakeries, butcher shops, slaughtering houses etc.
- removes easily fats and proteins
- food stuff approved formulation
- non toxic structure
- biodegradable
- high skin protection factor
- for use in foam canons and Prestan KRD equipment

APPLICATION RANGE:

For fatsolvent cleaning of all washable surfaces and equipments. In food stuff processing areas, such as large kitchens, canteens, butcher shops and dairy farms etc. - especially for the cleaning of highly fat contaminated floors and working surfaces.

INSTRUCTIONS FOR USE AND DOSAGE:

Manual cleaning: Depending on degree of soiling dose from 20-50 ml per 8 L water.

If necessary increase the dosage. **Machine cleaning:** Follow instructions of machine producer - use up to 6 % (60 ml per 1000 ml water). For highly contaminated floor surfaces - use machine and spray dilution onto floor prior to pad cleaning. By selecting good quality pads the cleaning results/optic will be increased for best results.

If improperly applied - and for claims resulting from such improper handling - there will be no legal claims accepted.

TECHNICAL DATA:

Form: yellowish liquid

Odour: like lemon

Viscosity: low

Density: 1030 g/L

pH-value in delivery state: 8

INGREDIENTS:

Below 5 %: non-ionic surfactants

15-30 %: anionic surfactants

Contains: preservatives, BENZISOTHIAZOLINONE, METHYLISOTHIAZOLINONE, perfumes, LIMONENE

Giscode: GG 70

Stability: at least one year in original containers

The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

LABELLING:
