SURFACE CLEANER suitable for HACCP

GASTRO KLEEN

Art.-NO. 367.007 6 x 750ml spray bottle

- professional cleaner for food counter and food production areas
- effortless removal of soiling (e.g. fat, sugar)
- fast and streak-free drying - hygienic cleaning result without neutralisation and rinsing
- suitable for HACCP-concept
- verified by Fresenius-Institut

AREA OF APPLICATION:

Surface Cleaner that is universally usable on waterproof, alcohol-resistant and hard surfaces (e.g. Stainless steel, plexiglas, glas, tiles, plastics et cetera) for streak-free results.

DIRECTIONS FOR USE AND DOSAGE:

Spray GASTRO KLEEN on a disposable cloth and wipe overlapping the surface. In case of tough soiling please spray on direct on the surface and leave it on for a short period of time. Wipe the surface afterwards.
